

Parent Engagement Survey – March 2026

As part of the March 5, 2026 Buffalo Rubbing Stone School Council Meeting, parents were surveyed regarding our School Development Plan (SDP) and our school budget and fees.

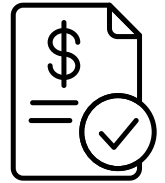

When asked where parents get their information about the School Development Plan, all parents rely on the **BRS School Council Meetings**.

When asked if they believe the SDP serves their children and the school population at large, all answered, “yes.”

The most important student activity identified was **swimming**.

Field trips that offer a unique learning environment are highly regarded.

Fees for activities and field trips are considered reasonable.
